*combines the economies of hand operation
 with the features of higher
 priced models*

SPECIFICATIONS

Paper Feed: Automatic, dual feed rolls. Dual corner separators and feed rolls lifted by one lever for quick, easy paper loading and reloading.

Feed Table: Holds approximately 250 sheets sub. 20 lb. impression paper on feed table, parallel moving guide rails make setting quick, easy, accurate.

Feed Pressure Control: Adjustable, for positive feeding of wide range of paper and card stock.

Paper Range: 3" x 5" to 9" x 14" fed automatically or by hand. From lightweight 16# paper to 110# card stock.

Master Clamp: Single lever controls fast acting clamp. Permanent scale on cylinder clamp matches scale on feed table allowing accurate placement of master. Built-in, block out slot in master clamp.

Maximum Master Size: 9" x 14".

Operation Control: The turn of one knob engages the moistening system, raises the impression roller to operating position and provides impression roller pressure range.

Moistening System: Re-circulating pump type; pump forces fluid directly from original gallon container. Visible fluid flow. Prime lever assures good first copy. Flood proof system.

Maximum Duplicating Area: 8¹/₂" x 13⁵/₈".

Copy Positioning: Copy can be raised or lowered a total of 1 inch over-all; 1/2" up and 1/2" down.

Registration: Excellent.

Receiving Tray: Adjustable, side and back guides from card to legal size assures perfect stacking. Instructions permanently affixed to tray.

Copy Counter: 3-digit reset type to 999.

Dust Cover: Standard equipment.

Lubrication: Factory lubricated for years of trouble-free operation.

Weight: 34 lbs.

Dimensions: 18¹/₂" wide, including crank, 11¹/₂" high, 29¹/₂" long.

Construction: Heavy-duty construction to insure years of dependable service. All exposed parts are stainless steel or non-corrosive metals, covers are of high impact plastic, impervious to damage by duplicating fluids. Ball, nylon and oilite bearings used throughout.

Finish: Smooth, easy to clean. Warm charcoal and mist grey with chrome trim.
