DUPLICATORS

*the world's
foremost
duplicating machines*

MODEL 10

**EASY, QUICK, CLEAN, ECONOMICAL
BRILLIANT REPRODUCTION**

Old Town duplicators give you up to 500 clear, crisp copies in as many as 5 colors faster than one a second, and for less than a third of a cent apiece. Specially designed fluid system automatically controls the flow of spirit to provide maximum runs and precise reproduction. Patented paper separator assures single sheet feeding. Available in hand and electric models with choice of 9" or 14" drum widths.

Old Town chemically coordinates the four elements of the spirit duplicating process. For the finest copies, use them all—together.
