STENCIL LIQUID

SPEED-O-PRINT STENCILS

ALL SPEED-O-PRINT STENCILS NOW MANUFACTURED WITH WET STRENGTH TISSUE FOR ALL TYPES OF INK, WATER OR OIL BASE

SOVEREIGN STENCILS

Non-glare . . . dull velvet finish . . . excellent visibility. Special triple coated process for long life and long runs. Consistently uniform . . . best for typing and stencil art work. Takes corrections easily and perfectly. Accurately top printed with typewriter scale. Sealed in moisture and oil-proof wrapper for protection.

THRIFT QUALITY STENCILS

Where economy is necessary there is no better buy. Better than many stencils at a higher price. Reproduces good legible copies. Top imprinted typewriter scale. Sealed in moisture and oil-proof wrapper.

FILM-TAB STENCILS

Genuine Goodyear dull finish Pliofilm eliminates cutting out of letters—type cleaning and platen swelling.

CHURCH AND SCHOOL BULLETIN STENCILS

The special top imprinting aids in placing copy accurately and neatly for double page forms or 2 and 3 column widths. Eliminates all guess work and saves time.
