1. 125-Sheet Capacity

Easy, fast-loading feed table. New type retainers assure excellent feeding. Calibrated front and back scale markings for quick positioning of paper.

2. New Roto-Grip Feed

Exclusive feature. Accommodates great variety of paper and card stocks in sizes from 3 x 5 inches to 9 x 16 inches. Positioned near cylinder and enclosed for greater safety and quieter operation.

3. Open Cylinder

Has built-in brush for quick, easy, even ink distribution.

4. Universal Stencil Clamp

Standard stub, stubless and universal stencils now quickly and easily attached and removed.

5. Three-Way Copy Adjustment

Convenient controls for wide range of lateral, vertical and angular copy position adjustments. New exclusive, single control for fine lateral adjustment.

CLEAN OPERATION CLEAN COPIES

Important features in addition to exclusive Flexamatic Control:

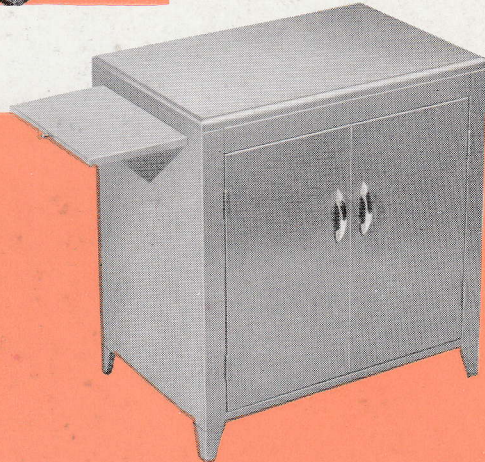

1. Moving parts carefully balanced for smooth, quiet operation.
2. All controls conveniently placed.
3. Anti-friction bearings.
4. Centralized oiling.
5. New type strippers for trouble-free operation.

Written, typed and drawn material efficiently and economically duplicated in any desired color.

AVAILABLE EQUIPMENT AND ACCESSORIES

Model 22 cabinet. Sturdy metal construction. Proper height for operator convenience. Pull-out shelf provides additional working area. Large, enclosed storage space for supplies.
